- ◆ Poster Specifications
- ◆ Hotel Accomodations near Saint Mary College
- ◆ Map of Area
- ◆ Updated Meeting Information

OP-SETAC 15th Annual Meeting

The annual meeting will be held from May 18-20 at St. Mary College in Leavenworth, Kansas. This location is easily accessible to travelers from the Ozark-Prairie region. St. Mary College provides a scenic retreat for the meeting and is nestled in the hills near the Missouri River in Northeast Kansas.

Student Awards

Thanks to continuing support from Bayer Corporation and from members, OP-SETAC is again able to offer awards for the best student platform and best student poster presentations. First place in each category will win a travel award of up to \$500 to attend the national SETAC meeting in Nashville, TN, November 12-16, 2000. The four runners-up will be reimbursed for one year's national membership fees, including the journal Environmental Toxicology and Chemistry. Be sure to indicate your eligibility for student awards.

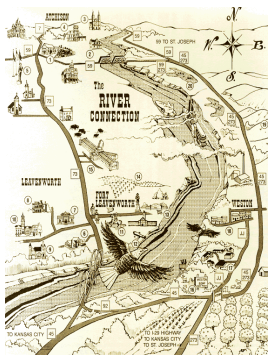

Events

Thursday, May 18

- ◆ 1 pm tour of Bayer Corporation, Agriculture Division, Research & Development Park, Stilwell, Kansas. Orientation, tour, and possible hay-rack ride
 - * Environmental Research
 - * Toxicology
